Celebrating America's Health Centers: Transforming Health Care in Our Local Communities

This year, as every year, we invite you to join us in celebrating the services and contributions of Community, Migrant, Homeless and Public Housing Health Centers. While there are countless reasons to celebrate America's Health Centers, among the most important and unique is our long success in providing **access to affordable, high quality, cost effective health care** to medically vulnerable and underserved people throughout the Central Valley.

For information, please contact Pritika Ram at 661-635-3050 or
