Preparing for the Safe Routes/ATP Call for Projects

About the Workshop

The next opportunity to fund a Safe Routes to School or active transportation project is fast approaching! The Active Transportation Program makes \$180 million in state funds available across the state for walking and biking infrastructure, planning, or education programs.

Register today for one of these FREE workshops!

Space is limited.
Register @ [sacramentoATPworkshop.eventbrite.com](https://www.eventbrite.com/e/sacramento-atp-workshop).

Come and learn about tools and resources key to preparing a successful project application for the March call for projects!

Workshop topics include:

- Application timeline overview
- Program guidelines, sample application questions and scoring
- Best practices on gathering data
- Tips and tools for a successful plan, project, or program application

Participants will be provided with a "toolkit" with FAQs. Local groups will also present successful SRTS projects in their community.

Collaboration is critical for a competitive application, participants will have time to collaborate with other stakeholders from the same jurisdiction about their ideas and plans.
